Hello. It's me, Yaet Saram. Hm .. I feel a little shy since I'm trying to think of something to write since it is the postscript... I would like to say a heartfelt thanks to all the readers who watched over <Whisper> every week during this short (or long) 6 months!

I wasn't able to draw the best, but I will become an author who continues to try their best!!!

I always felt apologetic because I felt that I was uploading incomplete stuff, but I was happy to the point that I can't explain with words during the entirety of the serialization due to your constant generous praise and cheering me on

I wasn't able to draw the best, but I will become an author who continues to try their best !!!
